It is worth highlighting Nawaal's exceptional journey. She started her career in 2005 as a wardrobe assistant working on many commercials progressing to the stylist that she is today. She has shown incredible drive and dedication, at that same time also progressing through various roles in long form including costume standby, costume supervisor, and Assistant Costume Designer (ACD) and is now ranked as one of our top South African Costume designers

Her wealth of experience and commitment to mentoring make's her an invaluable asset in the film industry.
